

Salman S. Razi

Assalam Alaikum Wa Rahmatullahi Wa Barakatahu,

My name is Salman S. Razi and I am pleased to be running for re-election to the Board of Trustees (BOT) at Tracy Islamic Center (TIC).

My family and I came to Tracy in 2004. Alhumdulillah, for over 20 years we have actively been involved at TIC. Our children who are now in college and beyond have grown up in the masjid attending Sunday school, family nights, Ramadan activities, and youth halaqas. Since the beginning, my wife and I have believed that strong Muslim values must start at home and be reinforced by being active and having a strong local Muslim community.

I have had the honor to serve as a BOT member for the past 10+ years, in addition to holding many leadership roles in the Tracy community. During this time, our masjid has flourished due to the efforts of many including BOT, BOD and TIC members.

Our growth has stemmed from respect and open communication between management teams. Insha' Allah, if I am given the opportunity to serve again, we will see this masjid continue to expand services and events for our growing community.

Saifuddin Raniwala

Assalam Alaykum,

My name is Saifuddin (Saifi) Raniwala. I have lived in Tracy since 1999 with my parents, wife and children.

I am humbly accepting my nomination for the TIC Board Of Trustees (BOT). I have served with my fellow BOT members for more than 11 years. I have been volunteering with Tracy Islamic Center (TIC) for over 23 years.

Every Sunday for over 6 years with help of members of BOD and other community members I have conducted the TIC Food Program for homeless, which fed over 100 people at its peak.

Alhamdulillah the current management has overseen the construction and operation of this beautiful Masjid. I would be honored to serve on the next BOT and help take the Masjid forward with better facilities and more programs for the Muslim ummah.

Jazakallahu Khairan for your consideration.

Ali Sanginov

Introducing Ali (Alex) Sanginov for

Tracy Islamic Center (TIC) - Board of Trustees
(BOT)

Assalam aleykum dear community,

We moved to Tracy since 2015 and are blessed with 3 children. Our older 2 children are TIC Sunday School students. Previous TIC BOD, TIC Sunday School Exec volunteer, annual iftar organizer (sponsor) and looking to contribute to our community in a more meaningful ways inshaAllah.

I'm interested in joining the TIC BOT to help serve three (3) purposes: 1)

Bethe sounding board for TIC BOD and extended exec teams.

2) Help organize Youth Events (active and educational).

3) Advocate and promote unity across Muslim communities near and far.

As someone who reverted to Islam after being challenged during high school and college years, I can relate to our youth today and can offer help in navigating topics, discussions and at time passionate debates. With the Grace of God, the path from being agnostic lead me back to Islam.

Why me? Alhamdulillah, I've been fortunate to have served as a BOD in a non-profit organization and fully understand the challenges that the BODs and Chair needs, that I can be a sounding board to, additionally my professional career is available in [LinkedIn](#).

Most important motivation for being involved in the community is to PROMOTE UNITY across our communities, setting aside our differences and appreciating our mutual submission to One and Only God we pray to.

"... Verily, Allah will not change the condition of a people until they change what is within themselves..." (13: 11).

I welcome any questions to provide clarity in my intentions and goals in joining the TIC BOT.

Wasil Quraishi

My name is Wasil Quraishi, and I have been a resident of Tracy since 1997. Over the past years, I have been an active member and volunteer at the Tracy Islamic Center, dedicating my time and efforts to support our masjid and serve our community.

I am nominating myself to serve as a member of the Board of Trustees because I am deeply committed to strengthening the connection between the masjid, the board, and our Muslim community. I believe that in recent years, many community members have felt disconnected or excluded from key conversations and decision-making processes. I want to change that by fostering transparency, encouraging greater community involvement, and ensuring that every voice is heard.

If elected, I will work diligently to promote unity, support the board's ongoing efforts—including the construction of the new masjid building—and help enhance the services we provide to our community. It would be an honor to serve and give back to the community that has given so much to me and my family.

Thank you for your consideration.

Sincerely,

Wasil Quraishi

I have been a proud resident of Tracy since 2008 and have actively supported the Tracy Islamic Center (TIC) through volunteer work for many years. I have assisted the Board of Directors (BOD) by helping with parking lot traffic control, organizing Sunday breakfasts, and participating in clean-up efforts to maintain a welcoming environment at the Masjid.

My goal in joining the Board of Trustees (BOT) is to further serve our community by contributing to the Masjid's continued growth, unity, and spiritual development. I am passionate about programs that support our youth and promote community involvement, particularly in the areas of youth education, sports activities, and support for our school programs. I also strongly uphold the values that make our Masjid a strong foundation for all. I believe that investing in our youth is key to building a strong future. It would be an honor to work collaboratively with the board to help guide the future of the Tracy Islamic Center.

Syed Ahmed Mohiuddin

As-salamu alaykum wa rahmatullahi wa barakatuh,

My name is Ahmed Mohiuddin and I am humbly announcing my candidacy for the Board of Trustees at Tracy Islamic Center (TIC). I reside in Mountain House with my wife and three kids, and it has been both an honor and a blessing to serve this vibrant community for many years.

During my two terms as a board member, I had the privilege to contribute to the growth and progress of our beloved masjid. I've worked closely with both the weekday Quran school and the weekend Islamic school, where I continue to serve as a Quranic teacher. One of the highlights of my tenure was helping initiate and fundraise for the TIC expansion project—a milestone we are now seeing come to fruition, Alhamdulillah, through the grace of Allah (SWT) and the unwavering support of our community.

As we move toward completing the construction, we now stand at the threshold of a new chapter for TIC. My vision for the future is develop both short and long term plans for the TIC to elevate our masjid into a central hub for the Muslim communities of Tracy, Mountain House, and neighboring cities. Some of the plans would be develop a comprehensive utilization strategy for the newly expanded facility, ensuring it serves all age groups and diverse needs—spiritual, educational, and social. The other important task will be to develop plan for the vacant land that we currently use for the overflow parking and create a sustainable revenue model to make TIC self-reliant.

Together, with your support and du'as, I believe we can shape Tracy Islamic Center into not just a masjid, but a beacon for unity, growth, and excellence for the wider Muslim community.

Thanks for your trust and consideration. May Allah guide us all and accept our efforts.

Jazakum Allahu khayran

Ahmed Mohiuddin
